Case No. 09 B 44943

Chapter 7

FINDINGS OF FACT AND CONCLUSIONS OF LAW IN SUPPORT OF ORDER AWARDING TO SNELL & WILMER L.L.P., ATTORNEYS FOR SPECIAL COUNSEL TO CHAPTER 7 TRUSTEE GUS A. PALOIAN, FOR ALLOWANCE AND PAYMENT OF INTERIM COMPENSATION AND REIMBURSEMENT OF EXPENSES

TOTAL FEES REQUESTED:	\$17,546.00	TOTAL COSTS REQUESTED:	\$1,990.10
TOTAL FEES REDUCED:	\$820.00	TOTAL COSTS REDUCED:	\$132.50
TOTAL FEES ALLOWED:	\$16,726.00	TOTAL COSTS ALLOWED:	\$1,857.60

TOTAL FEES AND COSTS ALLOWED: \$18,583.60

The attached time and expense entries have been underlined to reflect disallowance in whole or in part. The basis for each disallowance is reflected by numerical notations that appear on the left of each underlined entry. The numerical notations correspond to the enumerated paragraphs below.

(3) Reimbursement Limited to Actual, Necessary Expenses

The Court denies the allowance of reimbursement for expenses that were not actually and necessarily incurred by the applicant. *See* 11 U.S.C. §§ 330(a)(1)(B) & 331. The fee application fails to demonstrate that the requested expenses for photocopies or facsimiles (or both) were actual out-of-pocket disbursements and that the quoted rates were necessary in light of prevailing (and lower) commercial rates. In the absence of such proof, the Court will allow reimbursement of photocopy expenses at a rate of \$.10 per page in accordance with prevailing commercial rates and will not allow expenses for facsimiles.

(7) Lumping

The Court may impose a ten percent penalty for "lumping." *In re Wildman*, 72 B.R. 700, 709 (Bankr. N.D. Ill. 1987) ("Applicants may not circumvent the minimum time requirement or any of the requirements of detail by "lumping" a bunch of activities into a single entry. [citation omitted]. Each type of service should be listed with the corresponding specific time allotment.").

(11) Overhead Costs are Non-Compensable

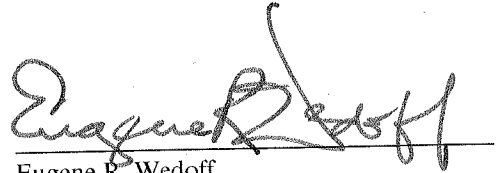

The Court denies reimbursement for fees or expenses that are overhead costs. Expenses which are overhead are not compensable because they are built into the hourly rate. *See In re Wildman*, 72 B.R. 700, 731 (Bankr. N.D. Ill. 1987). Overhead, for bankruptcy purposes, includes "all continuous administrative or general costs or expenses incident to the operation of the firm which cannot be attributed to a particular client or cost." *In re*

Convent Guardian Corp., 103 B.R. 937, 939-40 (Bankr. N.D. Ill. 1989) (quoting *In re Thacker*, 48 B.R. 161, 164 (Bankr. N.D. Ill. 1985)).

(12) Clerical Work Not Compensable

The court disallows the compensation of clerical or stenographic employees of the professional for the performance of routine clerical or administrative activities in the normal course of the professional's business, such as photocopying, secretarial work, or routine filing. Such activities are not in the nature of professional services and must be absorbed by the applicant's firm as an overhead expense. *In re Dimas, LLC*, 357 B.R. 563, 577 (Bankr. N.D. Cal. 2006) (citing *Missouri v. Jenkins*, 491 U.S. 274, 288 n. 10 (1989)). See also *In re Chellino*, 209 B.R. 106, 114 (Bankr. C.D. Ill. 1996) (Paralegal, but not "clerk" services entitled to compensation at an hourly rate; clerk activities are overhead of the professional); *Souza v. Miguel*, 32 F.3d 1370, 1375 (9th Cir. 1994) (Trustee not entitled to reimbursement or compensation of overhead expenses such as secretarial, stenographic, clerical, and routine messenger services).
